

Internet Business Solutions Center

Radio Script (:60)

Building a business requires speed.
Speed to connect.
To communicate.
Speed to compete,
and grow.

The Internet Business Solutions Center, sponsored by (MSO/SI name) can help your small-to-medium-size business stay ahead.

We'll give you up to two hours of FREE, interactive training over cable's high-speed Internet service. You'll experience a real-time high-speed Internet demonstration *and* learn new search skills, conduct an online conference and, if you choose, design your own website--all in just minutes.

Discover how cable's always-on Internet service can help your business soar.

Register today for the free Internet Business Seminar near you. Seats are limited so call now! 1-888-xxx-xxxx or visit www.xxxxxxx for complete details.
